Late for school:

According to Notice 361 of 2010 from the *Department of Education comments on the policy of Learner Attendance*: the school gates close at 7:40 sharp and all learners need to be inside the school at this time. Learners who are late will receive demerits. If there is a valid reason for the learner being late please make sure that he or she comes into school with a letter from a parent.

School Emergencies:

Parents are required to make sure that all VALID CONTACT NUMBERS are given to the school. This week we had emergencies and were not able to reach parents as cell numbers were not updated and work numbers were no longer valid. Your children are precious and should be treated as such... accidents happen and we should be able to get hold of you or a friend that you nominate in case of emergencies.

The school cannot contact Ambulances or take learners to medical clinics without the permission of parents.

When the school phones your cell number, it will reflect as a PRIVATE number – please answer these calls – the office staff deal with all emergencies and make every effort to contact you – please ensure that we can reach you.

Major Production:

Aladdin – the pantomime 2011 – runs at school from 1st to the 3rd September. Tickets cost R50.00 each, children under 10 years old pay R20.00 each. Tickets can be bought at the payment window.

“Come and watch the Genie of the Lamp, the Genie of the Ring and Aladdin battle the evil powers of Abanazer and her devilish minions. Will Aladdin win the battle and the heart of the princess? You will have to watch the show to find out!”

Yours sincerely

Mr. T. Weinerlein
